25X1A Senior Representative, [redacted]

Chief, FE INFO: [redacted] 25X1A6a

Admin

Equipment for Admin Building, [redacted] 25X1A6a

REFERENCE: A. IN 40962

1. Reference A asked that consideration be given to provide grills, floodlights, and an incinerator for the Administration Building, [redacted] 25X1A

25X1A6a at [redacted]

2. These items appear to be absolute necessary from both security and health viewpoints, but have not been previously planned for and funds have not been requested by field components for same.

3. Funds previously authorized for construction of the [redacted] 25X1A6a Complex (to include funds recently authorized in OUT 88914) are the total funds headquarters is to authorize for construction items and field components must stay within these limits even though some items may have to be curtailed to do so.

4. If items A, B, C, of reference A are desired and necessary, they are hereby authorized if they can be accomplished within total funds authorized for construction.

5. In the future, it is requested that Hqs. be advised of all construction changes necessary with the firm understanding that no new construction funds are to be made available for [redacted] construction. 25X1A6a
